

## White River Rhyacophilia Czech Nymph

Hook: Partridge CZ #12

3" of 2mm flat lead wrapped on shank

Jan Siman Natural Rabbit dubbing twists in olive and tan

Jan Siman Black Rabbit for the head

1/8" clear nymph skin

4# clear tippet for outer rib

Black marker for head

Fished in broken water as the rolling nymph on the bottom below a small unweighted nymph on short line no longer than the rod. Have caught double digits standing in one spot in different places on the White and Lil Red.

Designed and tied by Jeff Hearn
